EDUCATION

Bachelor in Computer Science and Information Technology

Shreeyantra College ,Damak Jhapa Nepal

Experience

Web Studio Nepal

August 21 - November 21

React Developer -Internship

SoftLab Inc.

April 28 - June 20

Frontend Developer -Internship

PROJECTS

Office Website Development (Internship)

Next.js, Tailwind CSS

- Collaborated with a team to develop a dynamic and responsive office website using Next.js.
- Contributed to building a sleek and modern UI with Tailwind CSS, ensuring fast performance and SEO optimization.
- Focused on enhancing seamless user experience through optimized design and smooth navigation.

Movie App (React.js)

- Developed a movie app that fetches and displays popular movies using the IMDb API, with a watchlist feature for users.

Personal Portfolio Website

HTML, CSS, JavaScript

- Developed a fully responsive portfolio website to showcase projects, technical skills, and experience.
- Designed a visually appealing UI with CSS animations, transitions, and hover effects for an interactive user experience.
- Integrated a contact form using JavaScript for user inquiries and improved website engagement.

Skillxhub E-learning platform(Final Year Project)

HTML, CSS, JavaScript, PHP, MySQL, AJAX

- Developed a responsive e-learning platform with user authentication and course management.
- Integrated AJAX for real-time interactions and an admin dashboard for managing courses and users.
- Optimized MySQL database for efficient data storage and retrieval.
